

## Venkat Subramanian

### President & CEO

Venkat Subramanian, a US citizen, is the founder, President & CEO of ANGARAI, named after his native village in Southern India. ANGARAI is a professional management consulting firm established in 2003 and headquartered in Greenbelt, Maryland.

Venkat has developed Holistic Organization Change Management Solution models and an effective Engagement Management Model and Methodology which are signature products of Angarai International, Inc. Under his stewardship, ANGARAI has successfully implemented these models and methodologies for its clients in the United States of America and outside. With his leadership, the level of quality services provided to ANGARAI clientele in each Center Of Excellence has precipitated an 800% increase in gross revenues since its inception and has also translated into numerous national and regional business awards including but not limited to the 2011 - Diversity MBA Top 100 Under 50 Diversity Executive & Emerging Leader; 2011 & 2009 - Inc 500/5000; 2010 - Top 100 MBE; and 2010 - Prince George's County Chamber of Commerce – Small Business of the Year.

Venkat has been involved in the industry since 1985 and has demonstrated global Project/Program management experience. His career progression includes his tenure with Blue-Chip firm including IBM, Deloitte & Touche and PricewaterhouseCoopers. Venkat derives immense satisfaction and pleasure in leading complex engagements, managing team of individuals towards a timely delivery and providing value to the business community. He has proven experience in implementing enterprise-wide applications encompassing ERP, EAM and custom applications.

His academic accomplishment encompasses BS in Mathematics, MBA in International Business from University of Georgia System. He has a PMP (Project Management Professional) from the Project Management Institute. He has undertaken Graduate Studies in Systems Management and Industrial Psychology from Annamalai University (India). He is also certified in executive courses from the Harvard University and is a certified ITIL Practitioner. Venkat is a respected authority and recognized leader in Program & Project Management, Business Transformation, Organizational Change Management, Strategic Planning, Governance & Compliance and outcome-based approach to initiatives focusing in the areas of efficiency & effectiveness.

Venkat enjoys coordinating events for the temple, public affairs, and community outreach, and music. His passion and commitment to the community activities is well demonstrated in various activities including but not limited to the active role in the Sri Siva Vishnu Temple, working with the workforce development of the County, various other County and Small Business Programs, Conference of Minority Transportation Officials, ANGARAI Foundation-USA and ANGARAI Foundation-India.
